PENDIDIKAN

I'm writing to express my interest in any future graphic design positions at Create & Co. With a solid background in graphic design and a passion for creativity, I've had the pleasure of leading creative campaigns at AmCell Mobile and refreshing brand identities at Starling and Copper.

Create & Co.'s innovative and collaborative environment excites me, and I'd love to contribute my skills to your team. I look forward to the opportunity to connect.

Best regards,
Quarantino Esposito
